

Titanium ESD Sheet Vinyl and Tile Flooring

20 YEAR PLUS LIFE EXPECTANCY, COMPLIANT TO ANSI/ESD STANDARDS

TITANIUM STATIC CONTROL FLOORING

Limited Warranty: Titanium static control sheet vinyl and tiles are fully Warranted for issues arising from wear (defined as foot traffic) for a period of Twenty years if installed in strict adherence to posted installation techniques on approved subfloors by approved flooring contractors. No warranty is extended for installations on subfloors having a >2.5% moisture by the carbide method or >3.0 lbs. per 1,000 Square Feet over a 24 hour period by the calcium chloride test method. Products are warranted for TWENTY years against non-conformance to technical specifications and deterioration of electrical properties under normal conditions of use.

Within the Warranty Period, the product will be replaced or repaired at United SCP's discretion. No responsibility for the cost of removal, reinstallation or freight can be assumed under this Warranty. Unused defective products must be shipped prepaid to United SCP's factory. All returns must include RMA number plus invoice copy, packing slip or other proof of purchase from United Static Control Products Incorporated. This number may be obtained by calling United's customer service department at 719 676 3928 (option 1).

Warranty Exclusion: The foregoing warranty is made in lieu of other product warranties expressed or implied including merchantability and fitness for particular purposes which are specifically or indirectly disclaimed. This Warranty will not apply to defects or damage due to improper substrate preparation, unusual abrasive wear situations, chair caster wear, scratching, neglect, misuse, standing water, failure to properly maintain flooring or improper installation techniques caused by not following posted directions.

Limit of Warranty: In no event will United SCP or any authorized re-seller of this product be responsible or liable for any special or consequential losses or damages, whether based on tort, contract or the use of (or inability to use) the product. Replacement of material does not include removal of flooring nor preparation of substrate. Before using the product users shall determine the suitability of Titanium for their intended use. The user assumes all risk and liability whatsoever in connection therewith. Fulfillment of United SCP's warranty obligations will be the customer's exclusive remedy and United SCP or seller's limit of liability for any breach of warranty or otherwise.
